

This **Christmas** we want to help HARP give a gift to all the homeless people they help!

*When you are Christmas shopping for your family, could you add a few extra items?*

**Please donate items in reception**

HARP are also doing a **Christmas appeal** - Buy a Christmas dinner for £10. Please donate in the pot on reception or take part in any of our fundraising to help give someone a better Christmas!

**By donating money in the pot in reception or taking part in any of our fundraising you are helping us support this great cause.**

**Thank you!**

SOS Domestic Abuse Projects are a charity based in Southend who support women, children and families who have been affected by domestic abuse.

They want to ensure that all the children they help can receive a lovely full bag of presents at Christmas, and their mums!

**We will be donating money raised to this cause for them to spend in the best way possible for those most in need.**
