### Latest Fundraising

We recently held a fundraising event in order to raise money for Strongbones Charity.

The aim was to help raise money for a 9 year old girl called Shannon to purchase a lightweight wheelchair which would help her be more independent and allow her to live a more fulfilling life.

We organised a raffle, tombola and set up a chocolate fountain which helped us raise just over £100. Eden promised to match what was raised so a £250 donation went to Strongbones Charity.
